Any other information/ reminders
Please make sure children have their P.E kit in school always, including suitable shoes and their swimming kit on Friday if it's their turn! 😊

Please note this is a basic overview of the planning for this week. It is impossible to cover in this outline all the learning that takes place during a week! We also believe in listening to your children and responding to their interests and ideas therefore all our planning is flexible. Please note some of the learning will take place across more than one week and during some weeks the learning focus may not cover all curriculum areas.
