

I AM WARRIOR! Y4

Grab your weapons! The Romans are invading and they don't look like they will stop anytime soon! We'll research Celtic and Roman warriors and write newspapers as ancient journalists. Using different source materials we'll investigate the Roman Empire and read Roman numerals. After designing and making shields, we'll test them in battle and practise our attacking and defending skills. The Celtic warrior queen, Boudicca, will inspire us to create models and artwork. We'll battle as gladiators and investigate a delicious Roman menu for wealthy Romans. Using maps, globes and information books, we'll compare Britain (the home of the Celts) and Rome (the home of the Romans).

Topic focus	History
English	Stories, newspapers, adverts.
D&T	Shields, Roman food, Roman design
Geography	Comparing Britain and Italy, using maps, locational knowledge, human and physical geography
Science	States of matter
Maths	Roman Numerals
Art	Sculptures and mosaics
History	The Roman Empire and its impact on Britain

The mighty and brave Sir Teach-a-lot will be imparting his knowledge on such a troublesome time.

At the end of the topic, we will invite you into school to view our ancient museum of art work!

We will be visiting the Roman Villa at Bignor. A place full of wonderful mosaics and fun.

N.B. Phonics and SPAG lessons will be ongoing throughout the year, as will individual and guided reading . This topic will provide a great opportunity to explore the Romans and the huge impact that it had and still has on our culture today. The Romans changed the course of England's history. Why not visit a museum together or look at Roman artefacts online to see what you can learn about the Romans? You could also look at holiday brochures and online information to find out about modern day Rome. Which tourist attractions would you like to visit? Alternatively, you could work together to make a model of a Roman villa using recycled materials.
