

## Tribal Tales Y3

Let's travel back to prehistoric times!

This half term we're going to find a prehistoric site in our local area by studying maps. Through our research, we'll learn about the Stone Age, the Bronze Age and the Iron Age. What were people's daily lives like and what epic battles did they fight? Using techniques such as cutting, scraping and mark making, we'll make Stone Age tools. We will also look carefully at cave paintings and create our own. In Science we will learn about plant life cycles. Copying the Beaker folk style, we'll make clay containers. Then we'll travel to the Iron Age to learn about hill forts and properties of iron. We'll also have a go at making Iron Age jewellery. During an exploratory dig, we'll find all sorts of objects and creatures. What will we uncover?

Topic focus	History
English	Information books, adventure stories, fact files and letters
Art & Design	Cave paintings, clay beakers and Iron Age jewellery
D&T	Designing and making Stone Age tools
Mathematics	Time, measuring, adding, subtracting, data handling
Science	Plant – life cycles
Geography	Fieldwork, human and physical geography, maps and aerial images
PE	Travelling with change of front and direction
Music	Easter Production

This topic will start by finding out about Prehistoric sites in our local area.

**FABULOUS FINISH**

At the end of our topic, we'll invite you to our Easter Performance.

**TRIPS/ VISITORS**

Trip to Steyning Museum TBC  
Tuesday 24<sup>th</sup> March Trip to Butser Ancient Farm

N.B. Phonics and spelling lessons will be ongoing throughout the year, as will reading. The Maths shown above is topic-related and therefore listed separately. To help your child with this topic, please research the Stone Age, Bronze Age and Iron Age history.
